

Kamla Oree

Executive Assistant

Kamla is a meticulous, task-driven Executive Assistant with more than 15 years of administrative experience in supporting C-level executives.

As a member of the Executive Team, Kamla provides administrative and management support to the CEO and to the Board of Directors, as well as manages the Mauritius Office Administration.

With a First-Class Honours Degree in Management Studies from University of Mauritius, and more than 15 years' experience in Executive/Administrative Assistant roles, most recently with State Informatics Limited in Mauritius, Kamla brings extensive experience to the CEO Office.

Throughout her career, she has demonstrated proven skills in providing support to Executives internationally, assisting in technology improvement, board facilitation and the elaboration of corporate strategy, including the implementation of its action plan.

Based in Mauritius, Kamla values spending time with her family and enjoys expressing herself creatively through art and abstract.
