

Corine Racoute

Chief Human Capital Officer (CHCO)

Corine is an HR Professional with a 'People First' mindset, with nearly 20 years of experience, across different sectors, namely construction, hospitality, banking, financial services and ICT/BPO.

As Chief Human Capital Officer, she leads the Human Capital strategy of CSI Energy Group, building a purpose and performance driven culture, promoting excellence, engagement, collaboration, wellbeing, diversity and inclusion for organisational transformation and enhancement.

Prior to joining CSI Energy Group in 2022, Corine held various HR leadership roles in local and international organisations, transforming HR to deliver forward-thinking capabilities, enabling a timely and effective response to changes in the business environment. She successfully partners with executive teams in rewiring organisations, drafting and implementing strategies that integrate Talent Management, Leadership Development and Employee Experience.

Holder of a BSc (HONS) in Social Work from the University of Mauritius and a certified Meta Coach (ISNS), Corine is passionate about inspiring people to discover and unleash their potential. Based in Mauritius, she is a fervent proponent of women empowerment and advocates that her success has as foundation the strength of her family ties and the ability to find a healthy balance between her professional and personal life.
